## Option 3 - Additional Extras & Notes

We also offer a wide variety of additional extras and can customise the pricing structure to work in with your current requirements where possible. And drone or aerial photography is subject to local regulations and restrictions including public safety and regulated airspace. Videos can be uploaded direct to your marketing platform or supplied via a download link . All extras are priced based on already being onsite so additional site visit will incur an additional fee.

- Single drone shot of top down block outline or front elevation while onsite. \$25. (subject to regulations)
- Standard aerial drone photo shoot while onsite which includes 6 to 8 images from varied locations. \$150 (subject to regulations)
- Instagram reel 60 seconds while onsite. \$100
- 2 to 3 minute youtube or facebook marketing video with music only. \$230
- 2 to 3 minute agent walk through video for youtube or facebook marketing with audio and music \$250
- Further options and extras available and will be priced upon request.

---

All pricing is current as of January 2023 and Excludes GST (which is added on invoice total)
