## Wedding Photography - Package Options

### Package 1 - Simple \$850

Perfect option to capture the ceremony only and a few family photos afterwards. Suits elopement or small intimate ceremonies and you receive all the photos as a download link

- One photographer up to 2 hours.
- Unlimited images professionally edited ready for you to download for safe keeping.
- High resolution images ready for print or photo book.

### Package 2 - Standard \$1250

Just the right amount of time to capture the ceremony, some family photos and then head off to get you and your bridal party in some amazing fun poses. Plus if time permits we can head back to the reception and capture your fun entrance.

- One photographer up to 4 hours.
- Covers ceremony and location photos
- Unlimited images professionally edited ready for you to download for safe keeping.
- High resolution images ready for print or photo book.

## **Package 3 - Complete \$2350**

This is our most common package and we can work in with your run sheet for the day to fit in as much as possible. We generally capture bridal preps and then head to your ceremony and get all the details plus the ceremony. Family photos and location portraits afterwards before heading to your reception for the entrance, speeches and cake cutting/first dance.

- One photographer up to 10 hours.
- Covers bridal prep (with groom prep coverage pending location and time) ceremony and location photos.
- Reception coverage generally up to first dance.
- Unlimited images professionally edited ready for you to download for safe keeping.
- High resolution images ready for print or photo book.
- Option to add more hours if required.
